This Order is addressed to all Plaintiffs in the In Re Salomon Analyst Litigation. The Court is in receipt of a number of courtesy copies of motions for appointment as lead plaintiff in each of the nine consolidated actions. Because many of these motions have been filed before different judges on different dates, the Court directs those Plaintiffs who have moved to be appointed as lead plaintiff to advise the Court, in writing, as to their continued interest in such an appointment as well as the date that they initially filed their lead plaintiff motions and the dates of any subsequent submissions they wish the Court to review.

Plaintiffs are directed to send a letter by facsimile with such information by **January 31, 2003 at 5:00 p.m.** The Court's fax number is (212) 805-6191. The Court will consider any

failure to respond to this Order a withdrawal of any pending motion to be appointed lead plaintiff.

SO ORDERED:

BARBARA S. JONES
UNITED STATES DISTRICT JUDGE
